

Curriculum Vitae for Robert Shane

Details of Professional Experience:

Robert Shane is a physicist with specialties in Math, Physics and Space Physics. He has been working in the alternative health field since 1968 (metabolic nutrition) with emphasis on Clinical Kinesiology. He associated with Alan Beardall DC helping research new material, prepare and edit workshop manuals, as well as assist at workshops. Since December 1987 he has contributed new Clinical Kinesiology research and has co-taught 7 Clinical Kinesiology updates with Dr. Gary Klepper DC and/or Dr. Richard Holding DO.

Bob has taught the Clinical Kinesiology workshop series across the United States and in England and Belgium.

Bob is co-author of over 1200 pages of the 3 volume basic workshop series manuals for licensed medical professionals, as well as co-researcher and co-author of 7 advanced research update workshop manuals. He authored the Clinical Kinesiology Travel Manual and the Bio-Linguistics manual (the therapist version of Clinical Kinesiology).

In 1993, in collaboration with Louisa Williams DC, ND, Bob co-authored and published a book of original research defining Clinical Kinesiology procedures for dealing with the Dominant Focus problems identified in Europe by Voll and VEGA electroacupuncture practitioners.

Training in the following fields with such notables as:

Nutrition:

Donald Kelley DDS (Metabolic Technology), Kurt Donsbach PhD (Nutrition), Gary Bassett MD (Biochemical Interventions Cellmate Wellness), Andreas Marx MD (Parasitic Infections), Thorne Research (Therapeutic Nutrition), Harold Kristal NC & James Haig NC (Personalized Metabolic Nutrition)

Kinesiology:

Alan Beardall DC (Clinical Kinesiology), Terry Franks DC (Holographic Kinesiology), Sheldon Deal DC (Applied Kinesiology), Victor Frank DC (Total Body Modification, TBM), M.T. Morter DC (Bio-Energetic Synchronization Technique, BEST), Gary Klepper DC (Applied Kinesiology, Meningeal Biomechanics), Gordon Stokes (Touch For Health, Structural Neurology, Body, Mind and Spirit Connection, Personology), John Thie DC (Touch for Health), Wayne Topping PhD (BioKinesiology), Richard Utt (Applied Physiology), Marc Rosen DC (Applied Kinesiology), Paul Dennison PhD (Edukinesthetics), Richard Versendaal DC (Contact Reflex Analysis), Jimmie Scott PhD (Symbiotic Energy Transformation), Steven Rocklitz (Human Ecology Balancing Sciences), Louisa Williams DC, ND (Neural Kinesiology), Rick Wiegand DC (Access Workshop), John Brimhall DC (Wholistic Practice), Thomas Griner DC (Spastic Muscle Seminar), Jesse Jutkowitz DC (Advanced BioStructural Therapy), S. Yurkovsky MD (Field Control Therapy FCT), Leslie Feinberg DC (Neuromodulation Technique), Klinghardt Dietrich MD (Neural Therapy)

Cranial Sacral:

Richard Holding DO (Cranial Osteopathy), Upledger Institute (Cranial Sacral)

Electroacupuncture:

Helmut Schimmel MD, DDS (VEGA), Walter Stern MD (Voll, MORA), James Colburn MD (VEGA, Computerized Segment-Electrography), Andreas Marx MD (MORA and Voll electroacupuncture), Erich Rasche MD (MORA)

Homeopathy:

Occidental Institute Research Foundation (Homeopathy), Wilhelm Langreder MD (Homeopathy), Academy of Applied Quantum Bio-Technologies (Homeopathy), Konrad Werthmann MD & Monica Bryant MD (SANUM Protocols), Rudolf Verspoor MD (Homeopathy and Chronic Disease), Walter Sturm MD (Biological Medicine for Acute and Emergency Conditions)

Vibrational Therapies:

Solihin Thom DO (Gateway To Your Inner World), Institute of Psychorientology (Silva Technique), Carolyn Bober Emery DC (Vibrational Healing), Marcel Vogel PhD (Energy Balancing with Crystals), Spiros Lenis MD (Light Dynamics), Michael Katz (Gem Therapy), Gary Young ND (Aromatherapy), Valarie Worwood MD (Aromatherapy), Phillippe Mailhebiau MD (Aromatology), Walter Sturm MD (Ionized Oxygen, Photon and Laser Therapy), Constance Haber DC (Photonic Therapy), Dan Kunkel (Oneness Sound Therapy), Gonzales MD (Laser Protocols), Amy MD

Curriculum Vitae for Robert Shane

(Cold Laser Protocols), Terry Skrinjar (Field Science of BioElectric Field Enhancement), Cheryl Malakoff PhD (Transformation Lessons Pattern Perception Series), Peter Fraser MD (Nutri-Energetics System NES)

Acupuncture and Oriental Medicine:

Northwest Institute of Acupuncture and Oriental Medicine, NIAOM (Acupuncture studies), Jake Fratkin DOM (Chinese Herbal Practical Protocols)

Radionics:

Jerry Fridenstein (Family Health Radionics), Greg Morgan (Advanced Radionics), Bruce Tainio (Radionics Technique – Healthy Plants, Healthy People), Future World Technologies (Radionics for Health), Penn Bell (BioBiology), Alan Back (Intrinsic Data Field Patterns)

Biofeedback:

John Kelsey PhD (Basic QXCI Biofeedback training), Lana Ford PhD & Colin Paddon PhD (Intermediate QXCI Biofeedback Training), Bill Nelson PhD (Advanced QXCI Biofeedback Training), Academy of Applied Quantum BioTechnologies (Biofeedback Certification Training), International Medical University Natural Education (International License in Medical Art of Biofeedback), Jerry Tennant MD (Self-Controlled Energo Neuro-Adaptive Regulator, SCENAR), Julia Frost MD (Level 2 SCENAR Training)

Miscellaneous:

Paul Dennison (Art of Seeing), Harri Wolf (Applied Iridology), Carolyn Mein (Body Type Training), Kazuko Tatsumura Hillyer OMD (Far Infrared Therapy)

Workshop Leader and Certified Instructor:

- Touch for Health Instructor
- One Brain Instructor
 - Co-developer of the overall schema and flowchart for integration of right/left & front/back brains.
- Metabolic Technician for Health Excel
- Nationally certified in Therapeutic Massage & Bodywork
- Registered Counselor
- International License in Biofeedback
- QXCI Biofeedback instructor and author of QXCI Flowcharts
- Clinical Kinesiology
 - Co-founder of Clinical Kinesiology Organization for Research and Education (CKORE) for licensed health professionals. First certified instructor and on first certification board for testing prospective instructors. Taught classes in US, England and Belgium.
- Radionics: theory and practice of subtle / scalar energy balancing

Professional Societies – past and present:

- Charter Member of International Health Institute
- Touch for Health Foundation
- Charter member of International Association of Specialized Kinesiologists
- National Therapeutic Massage and Bodywork Association
- Professional Member of American Association of Nutritional Consultants
- Research Associate of Occidental Institute Research Foundation
- Co-founder and charter member of Clinical Kinesiology Organization for Research and Education
- Academy of Applied Quantum Bio-Technologies
- International Medical University Natural Education
